UPDATES:

Recap of Fall Clean-Up Day: Coordinator Vicki Mollenauer reports the clean-up went very well. Folk commented on how relatively clean the neighborhood looked as they went through the streets. The question had been raised to have one clean-up day per year instead of two days a year. It is the consensus of this group to maintain having the clean-up twice a year as opposed to once a year.

Rite-Aid Zoning Request: The last update was it is going before city council. The HJWA variable suggests a one-year renewal permit.

Abner Clay Park Plan: No Report

Maggie Walker Statue: No decision yet on the site

NEW BUSINESS:

Holiday Party: December 16, 2014 6-8 pm Club 533
